**Q1 What are the strengths and weaknesses of your teaching assistant (discussion section leader, lab section leader, grader, or other assistant) as an instructor, and how might his or her teaching be improved?**

- Vinayak is great at going over recitation notes and greatly prepares his students for the exams.
  - Vinayak was great! He always answered questions very clearly and reviewed the elcture material very effectively.
  - Amazing explanations and good teacher
  - Vinayak was honestly the reason I understood to the fullest anything in this course. I think I speak for everyone in his recitation when I say that he seems to genuinely care that every single student truly understands anything he explains. He takes the time to thoroughly explain all important concepts, and even goes beyond the 50min-long recitation to finish explaining everything to us. Even if I missed lectures, I knew to never miss recitations because they were so very helpful. After any recitation session, I felt super confident that I could do the problem sets myself and understand all the concepts behind it. There is really nothing he needs to improve on!
  - Amazing, so patient with the students, explains concepts and problems very well
  - Great TA
  - Great TA. Takes time to go through the details of the course.
  - Vinayak was awesome. He clearly knew the material very well and always came in organized and ready to teach us everything we need to know and answer all our questions even though he had only 50 mins for the recitation section. He played a very crucial role in my performance in the course. I definitely recommend him to everyone.
